

KAZNU is my university

I am a student at KazNU. The university was founded in 1934. 14 faculties provide training in 180 specialties, and more than 20 thousand students receive education. Students, graduate students, and doctoral students teach. Students from abroad come to study at KazNU. Teaching is conducted in three languages: Kazakh, Russian, and English.

Treasure hunting is part of my youth. Student life at KazNU is very interesting. Activism opens the door to greater opportunities. You can interact with new environments and expand your horizons.

In conclusion, we note that since the opening of the university in 1934 to this day, KazNU has maintained first positions in many rankings of Kazakhstan. Al-Farabi graduates occupy high positions and work for the prosperity of our country in all areas of the country, in many well-known companies. KazNU is the university with the largest number of students in Kazakhstan. Come to KazNU! KazNU welcomes you to the centre of Almaty with a view of the Alatau Mountains!
