

KazNU is my university

KazNU is one of the best universities in Kazakhstan with excellent infrastructure and qualified professors and teachers. A prestigious university that effectively educates.

Since its establishment in 1934, Al-Farabi KazNU has developed a reputation for excellence in teaching, learning and research. It is generally recognized that Al-Farabi Kazakh National University, famous for its rich traditions is the main smithy that forges the Kazakhstan elite.

The interest in studying at Al-Farabi KazNU is determined not only by high quality of training, but also by modern study programs effectively adapted to the changing demands of the international job market.

It has always been honorable and most prestigious to study at Al-Farabi KazNU. It is the first University in Kazakhstan to fully implement the principles of the Bologna process.

The students, together with those studying at Al-Farabi KazNU from abroad, come from around the world. Training is carried out in three languages: Kazakh, Russian and English.

The largest number of scientists is accumulated here, which demonstrates the uniqueness of the intellectual potential of the University.

Al-Farabi Kazakh National University is one of the best public universities in Almaty. Our university is located in a great location in the city center. It has a very large campus consisting of faculty buildings, an administrative building, a technical center, a Keremet student service center and a special Al-Farabi library with a large number of books..

KazNU has student organizations working in various thematic areas, from artistic interests to the creation of scientific projects. Each organization has its own creative atmosphere. Once inside them, you will get a lot of new friends, emotions and new knowledge.

In conclusion, it can be noted that today KazNU has retained its first place in Kazakhstan. Graduates hold high positions, work in all spheres of activity of our state, in many well-known enterprises for the prosperity of the country.
